## INTRODUCTION AND WELCOME

Kathy Campbell

I am delighted to announce our 3rd and 4th Boarding Schools Fairs in Nairobi. Over the last 12 years, I have been working closely with families in Kenya and over that time I have gathered an extensive understanding of what Kenyan families are looking for; where their priorities lie and the challenges the children face as they adapt to life in a boarding school far from home.

The majority of the schools attended by pupils in Kenya follow the British Curriculum and many pupils are British Citizens i.e. they don't need a visa to study in the UK.

When embarking upon an overseas recruitment trip I know how helpful it can be to have everything organised for you. Therefore this package includes all you will need except the cost of your flights, your entry visa (approx. £50) and your personal bar bill making your trip as stress-free as possible.

The need to arrange and pay for additional hotel rooms, find reasonably priced places to eat are removed and hence no extras to explain to your bursar upon your return!

I understand the importance of gaining a first hand understanding of the country you are visiting enabling you to have meaningful conversations with the families you meet and establish relationships more successfully. Built into the event timetable (and included in the cost) is a visit to at least one Kenyan Prep School, talks on the Kenyan market for school delegates, Schools Fair at a Kenyan Prep School and at Hemingways Hotel.

Whilst planning this event your safety has been of paramount importance. I have recently returned from a trip to Nairobi where I conducted several meetings with Hemingways Hotel to understand the measures they have put in place to reduce any health risks to delegates. I would be happy to discuss this with you in person if you have specific questions.

For further details and to book your place, please contact me directly and I'll confirm your reservation. I look forward to working with you and introducing you to some wonderful families in Kenya.
